## 1. Purpose

- 1.1. This policy and related procedure relates to international students and to the monitoring of their course progress and the consequent procedures for reporting to Department of Home Affairs for unsatisfactory performance.

## 2. Responsibility

- 2.1. English Academic Manager

## 3. Definitions

- 3.1. Course performance: weekly assessment results as the student progresses through the course.
- 3.2. Unsatisfactory course progress: Where a student has achieved scores of 49% or under for four consecutive weeks in their assessment results.
- 3.3. Satisfactory course progress: Where a student has achieved an average of 50% or more in their assessment results in a term.
- 3.4. Study Period: UE uses ‘term’ to define a study period. The term duration, usually a contact period of twelve (12) weeks, is considered a study period.
- 3.5. Student Teacher Coaching: One-on-one “Student Teacher Coaching” is conducted in weeks 5 and 11 of every term. Each session is a chance for teachers to meet with each student individually. The objective is to create a plan for individual learning, set learning goals and to actively reflect on the student’s learning achievements. During the sessions, teachers provide individual guidance and feedback and gauge whether students are maintaining satisfactory course progress. If they are not, the teacher will inform the Academic Manager.

## 4. Policy

- 4.1. UE will adopt a proactive approach to monitoring students’ course progress and notifying and counselling students who are at risk of failing to meet the accepted course progress requirements. Students who persist in failing to meet course progress requirements – even

after attempts by the college to notify and counsel them through the intervention strategy – shall be reported to DET and Department of Home Affairs in accordance with the National Code of Practice 2018 and ELICOS Standard 2018 C.1.1k

- 4.2. This policy and procedure will be made available to students through the student orientation guide and college website.
- 4.3. UE reasons that course progress is closely linked to students' active participation in in-class learning and assessment activities, and completion of assessments. Teachers will provide information on assessment requirements, conditions and other relevant information.
- 4.4. Each student's weekly assessment results shall be recorded on the Student Record Sheet (SRS).

## 5. Procedure for monitoring student's course progress

1. After placement in new class, receiving teacher confirms level suitability and informs academic manager within first week if student's English skills are not appropriate for the level.
2. Teachers conduct weekly assessments and keep records of student's assessment results on each student's "Student Record Sheet" (SRS).
3. In weeks 5 and 11 of each term, *Student Teacher Coaching* is carried out and student's assessment results are reviewed and course progress is assessed. If student is showing *unsatisfactory course progress*, the teacher will notify academic manager.
4. Academic manager will arrange a course progress meeting with student.
5. At the meeting, the student will be asked how they are performing and why they feel they are achieving results of 49% or lower. Course intervention strategies will be discussed and recommended to the student (see table below for intervention strategy examples).
6. The "Course Progress Meeting Form" will be completed and signed by student and Academic Manager. A copy will be given to the student and the original will be filed in the student course progress folder. The student's teacher will be advised about the student's progress and expectations. The student will be advised that they are expected to achieve 50% or greater average in assessment results before the next *Student Teacher Coaching* session (6 weeks) otherwise they may be reported for *unsatisfactory course progress*.
7. The teacher will closely monitor assessment results on a weekly basis and inform the academic manager if progress is not being made according to the signed "Course Progress Form". If student is not achieving *satisfactory course progress* within 4 weeks, steps 5-7 of the above process will be repeated. If student is still not showing *satisfactory course*

*progress* in two terms in the same level, student will be reported for *unsatisfactory course progress*.

8. Students studying 6 weeks or less will have their assessment results monitored by the teacher every two weeks to ensure they are achieving 50% or above. If student is not, teacher will advise Academic Manager.

Copies of all outcomes and notifications related the appeal process is kept on the student’s file in accordance with the college’s Complaints and Appeals Policy.
